

Direct Selling Association of Malaysia **Our Promise To YOU!**

The Direct Selling Code of Ethics At A Glance

Direct selling has a century long history of serving the public with quality products and trusted relationships. When you buy from a direct seller, be sure the company is a member of the Direct Selling Association of Malaysia (DSAM). All DSAM member companies must adhere to a strict code of ethics to ensure your complete satisfaction and protection as our valued consumer.

The independent direct seller promises the following:

We will refrain from deceptive or unfair sales practices.

We will provide identification.

We will provide accurate and complete product descriptions and comparisons.

We will clearly articulate pricing and terms of payment.

We will provide key delivery details.

We will provide written order forms specifying cooling-off rights and guarantee/warranty terms.

We will provide truthful and fair commentary:

- Providing only company-authorized product claims.
- True, applicable, relevant testimonials free from deceptive/unfair comparisons or comments.

We will respect your request for privacy.

We will make timely deliveries.

We will discontinue a sales presentation immediately upon the consumer's request.

Our Companies promise the following:

We will refrain from deceptive or unfair recruiting practices.

We will provide truthful and accurate information—based on facts—regarding our earnings opportunity.

We will provide a contractual agreement with our direct sellers.

We will provide periodic account status detailing purchases, earnings, commissions, bonuses and other relevant information.

We will repurchase, if requested, upon termination any unsold, re-saleable product inventory, promotional material, sales aids and kits purchased within the previous 6 months and refund your original cost less a handling fee not to exceed 10% of the net purchase price.

We will not expect you to purchase unreasonably large amounts of product inventory.

We will not sell materials that do not comply with company standards.

We will provide training to enable direct sellers to operate ethically.
